*What better way to celebrate our 15th Anniversary
than an event focused on the future?*

Yes, we're excited about 15 years of success and the thousands of lives we've touched, but many still need our help. So many local students wish to continue their education and training, but lack the funds to make their dreams possible. Many of these students choose to enroll in local institutions, and then choose to put their education to work right here. Their roots are in Northwest Indiana. They are *our* future.

So on November 12th in 2011, we'll celebrate our 15 years of service to Porter County by hosting a College Tailgate Party to raise funds to support scholarships for deserving Porter County students. Our goal is to raise \$150,000 for the Porter County Community Scholarship Fund – that's \$10,000 for each inspiring year since our founding. We hope to help more students to achieve their goals, which will lead to a stronger community for us all.

We invite you to join in the fun and the **fund**raising.
